

*DAY CAMPS

June 22-26 Sense of Salmon "River of Raptors"

July 20-24 Sense of Salmon "Trees, Please"

Two day camps, each lasting five 1/2 days will 1) encourage understanding and appreciation for the local environment; 2) enhance student academic achievement in environmental education, science, communication, and the arts, and 3) promote stewardship of natural resources. Each session is \$ 40 per person and pre-registration is required.

*OUTDOOR SCHOOL SKILLS INTENSIVE PROGRAM

The first segment of a four year progressive education program is an eight-week program designed to teach students ages 9 and up basic outdoor survival skills. Upon completion of the program, students will have basic knowledge of the skills outlined and a basic preparedness pack which includes a manual and over \$100.00 worth of preparedness items. Fee for the Skills Intensive Program is \$250 per student for ages 9 and older.

RESEARCH LIBRARY

The Sacajawea Center office houses a research library. Reference materials may be accessed during business hours.

AVAILABLE FOR USE ON SITE

The Idaho Department of Fish and Game has provided two "birders packs" for public use on site. The backpacks include binoculars, a field guide book, and a birder's checklist.

The Lemhi Art Guild has donated a water color kit for visitors' use. Both items are free to use on site. Leaving a driver's license or cash deposit is required.

Schedules are subject to change.

Please call the office at 756-1188 to confirm presentations.
