Other Programs

June 22 (every Wednesday through Aug. 31)

Junior Explorer—ages 5-12

10:30am-12pm

Meet at the Friendship Circle Fire Pit

Description: These 1.5 hour programs will cover a variety of topics, but they all involve nature exploration. Whether we are investigating the life under logs or exploring animal tracks you are bound to learn something and have fund doing it. If you choose you can complete the whole program and receive a Junior Explorer certificate and recognition in our Interpretive Center. Suggested donation \$5/child.

June 24—Friday

Master Water Stewards Workshop (\$)
8:30am - 4pm

Meet in the Learning Center

Description: The main focus of the program is to educate citizens on the status of their water quality and to help them understand pollution's effects on streams, rivers and lakes. We strongly encourage youth involvement!

July 16 and August 20—Saturdays
The Corps of Discovery: Tomahawks, Rifles,
and Food for Thought
11 am, 1pm, 3pm
Location TBA

Description: In this interactive presentation, Dr. Stephen Sylvester will talk about the weapons used by the Corps of Discovery, some of the myths regarding Native American reactions to the Corps and visa versa. He will also demonstrate flintlock rifles and provide the opportunity for audience participation - tossing tomahawks and tasting elk jerky.

Updated 3/10/16

Get a taste of U.S. history by experiencing it first hand!

Step back in time at the Sacajawea Center's Outdoor School where you can learn about the technologies used by people in 1805.
